The map shows a section of Victoria Grove Boulevard intersecting with Route 87. The boulevard runs diagonally from the top left towards the bottom right. Route 87 is shown as a dashed line running horizontally across the middle. A solid line labeled "ROUTE 87" runs parallel to it above. Another solid line labeled "ROUTE 87" runs parallel below. The intersection area is marked with several symbols: a small circle at the intersection point, a larger circle with a crosshair, and a smaller circle with a dot. There are also curved lines indicating road bends or boundaries. The text "VICTORIA GROVE BOULEVARD" is written along the diagonal road. The text "ROUTE 87" appears twice, once above and once below the horizontal road.
