Make the check payable to HERON COVE HOA. The check will be deposited into the HERON COVE account and will be refundable upon the restoration of any damages**

HERON COVE NEIGHBORHOOD ASSOCIATION

HOMEOWNER'S AFFIDAVIT

I have read, understand, and agree to abide by the Covenants and Restrictions of the Association. In return for approval, I agree to be responsible for the following:

- All losses caused to others, including common areas, as a result of this undertaking, whether caused by me or others;
- To comply with all state and local building codes;
- Any encroachment(s);
- To comply with the conditions of acceptance (if any);
- To complete the project according to the approved plans. If the modification is not completed as approved, said approval will be revoked and the modification shall be removed by the owner at the owner's expense.
- Applicant further acknowledges that drainage swales have been designed and established between homes (side yard) to carry storm water off the lot and to maintain positive drainage away from home. The Association and/or developer shall not be responsible for any effect that any proposed landscaping installation may have on drainage. The applicant shall be responsible for all associated costs.
- The Homeowner is responsible for any costs associated with irrigation modifications as a result of this alteration. The Homeowner is responsible for notifying **IMAGE IRRIGATION @ 561-351-9620** to make modifications to any irrigation system prior to work being initiated. Modifications required are at the Homeowner's expense.
- Homeowner assumes maintenance responsibility for any new landscaping.
- **The homeowner is responsible for ensuring that all areas affected by the project construction (i.e. landscaping, irrigation, common areas, etc.) are restored to their original condition. The homeowner will be notified of any deficiencies in writing and will be asked to correct any damages. Failing that, the homeowner is responsible for all costs necessary for the HOA to properly restore the area and the deposit will be used for that purpose.**

I also understand that the ARB does not review and assumes no responsibility for the structural adequacy, capacity or safety features of the proposed construction, alteration or addition; or for performance, workmanship, or quality of work of any contractor or of the completed alteration or description.

I agree to abide by the decision of the Architectural Review Board or Board of Directors. If the modification is not completed as approved with the specifications submitted in this application and I refuse to correct or remove the modification, I may be subject to court action by the Association. In such event, I shall be responsible for all reasonable attorneys' fees.

**REQUEST FOR ARCHITECTURAL REVIEW
HERON COVE NEIGHBORHOOD ASSOCIATION**

To expedite your request, please include the information listed below for the specific category. The list may not be inclusive and the Architectural Review Board (ARB) reserves the right to ask for additional information.

1. Fences
 - a. Survey indicating the location with respect to the property lines and existing improvements.
 - b. Type of fence including materials, height, drawings, color, finish and decorative style.
 - c. Location and swing of gates.
 - d. Proposed landscaping plan surrounding fence (if required, see 7 below).
2. Painting
 - a. Use Heron Cove Paint Chart ONLY
 - b. Provide paint color choices, per roof color
 - c. Elevation of structure of area to be painted (elevation survey) identifying the location(s) of each paint color-i.e. stucco color x, trim bands color y, door color z, etc.
3. Driveways/Concrete Patio Extensions
 - a. Survey indicating location of proposed installation drawn on survey.
 - b. Type of materials (driveways must be brick pavers).
 - c. Provide color and pattern information, preferably samples.
4. Screen enclosures
 - a. Survey depicting location of proposed screen enclosure.
 - b. Description of proposed type of screen enclosures.
 - c. Plans and specifications provided by the contractor indicating dimensions, height, screen roof type (e.g. mansard, gable or flat), location(s) of screen door(s) and accessories (e.g. kickplates).
 - d. Plan and elevation views of screen enclosure.
 - e. Identify colors including, as appropriate, colors for screening, kickplates and glass.
 - f. White aluminum framing only
5. Pool Additions
 - a. Survey depicting location of proposed pool on lot.
 - b. Architectural rendering.
 - c. Plans for fencing or screening (see 1 and 4 above).
 - d. Plans for shrubs to conceal pool equipment.
6. Landscaping
 - a. Survey depicting location of existing plantings with respect to property lines and existing improvements.
 - b. Drawing illustrating placement of proposed landscaping.(on survey submitted)
 - c. Description of proposed landscaping including type, height and quality of planting materials.
7. Other
 - a. Shutters require description of type of shutters and color. (brochure is helpful if available).
 - b. Satellite dishes are to be approved by the Baywinds Master ARC. .

Note: Any Architectural renderings submitted to the ARB will not be returned to the applicant.

ATTACHMENT "A"

Pool Requirements

1. The irrigation zones in the location of proposed pool must be cut and capped. Zone lines for the balance of the lot must remain functional during the pool construction. Contractor shall not tamper with the irrigation valve serving the subject and adjacent lots.
2. No construction materials to be dumped/stored in the public right-of-way. All materials to be stored on the subject lot.
3. Any damage to the public right-of-way must be repaired and/or restored to their original condition. This includes the asphalt, concrete sidewalks, and sod within the public right-of-way.
4. All pool dirt must be removed off-site the same day the pool is excavated.
5. For lake front lots, no material/dirt is allowed to be stored within the lake tract which includes the 20' lake maintenance easement.
6. All pool overflows must be plumbed on the sides of the pool (NOT the rear).
7. Prior to sodding, the Contractor shall have the side yard swales staked and graded to insure positive drainage.
8. If the pool deck is to be constructed to the rear property line, the existing grade at the rear property line must not be compromised or changed. If the pool deck grade is higher, a retaining wall must be built at the grade transition.
9. Sod seams at tie-ins shall be cut-in to match the adjacent sod/grade.
10. Bushes shall be installed around all pool equipment for screening.
11. Once the pool has been signed-off by Palm Beach County or City of WPB, a final inspection will be completed by the HOA's Manager to insure that all of the above have been maintained. Any cost incurred by the HOA to make necessary repairs not completed by the pool contractor will be deducted from the deposit. Once the HOA has signed-off, the pool deposit will be returned.
