Written notice of the assessment shall be sent to every Owner subject thereto. The method of collection shall be established by the Board of Directors.

**SECTION 6. SPECIAL ASSESSMENT:** The Association may levy a Special Assessment against each Member for any of the following: the acquisition of property by the Association; the construction of capital improvements to the Association or the Common Property; the cost of construction or unexpected repair or replacement of a capital improvement; the necessary fixtures and personal property related to the expense of indemnification of each director or member of the A.R.B. or the Association. All Special Assessments shall be at a uniform amount for each Lot assessed, whether a particular Assessment affects all Owners or not. A Special Assessment shall be collectible as the Board of Directors shall determine. A Special Assessment shall require the approval of two thirds (2/3) of each Class of members of the Association who are present or by proxy, at a duly convened regular or special meeting at which a quorum exists and such meeting is called to secure this approval.

**SECTION 7. EMERGENCY SPECIAL ASSESSMENTS:** The Association may levy an Emergency Special Assessment when, in the opinion of the Board of Directors, there is potential danger of damage to the property. Such Assessments may be utilized to pay for preventive or remedial construction, reconstruction, improvement or replacements. Events justifying emergency Special Assessments include, but are not limited to, hurricanes, earthquakes, floods, fires, or structural repairs. Emergency Special Assessments may also be levied for such other reasons as the Board of Directors shall determine. Emergency Special Assessments shall be collectible in such manner as the Board of Directors shall determine.

**SECTION 8. INDIVIDUAL ASSESSMENTS:** The Association may levy and collect an Individual Assessment against a particular Lot for the cost of maintenance, repairs or replacements, within or without the Lot, which the Owner thereof has failed to perform and which failure or refusal to perform has in the opinion of the Association, endangered or impaired the use or value of the Property. The Association has a right of entry unto each Lot to perform necessary maintenance, repairs or replacements, including the right to abate or eliminate any nuisance. This Individual Assessment shall include an administrative fee charged by the Association in an amount to be determined by the Board of Directors in its discretion from time to time. All Individual Assessments shall be collectable in such manner as the Association shall determine.

**SECTION 9. EFFECT OF NON-PAYMENT OF ASSESSMENTS:** All notices of Assessments from the Association to the Members shall designate when the Assessment is due and payable. If an Assessment is not paid on the date when due, it shall then become delinquent and shall bear interest at the maximum rate allowed by the Florida usury laws, from the date when due until paid. The Assessment, together with interest thereon and the cost of collection thereof, including attorneys' fees, shall be a continuing lien against the Lot against which the Assessment is made, and shall also be the continuing personal obligation of the Owner of such Lot. If any Assessment, or any installment thereof, shall not be paid within thirty (30) days after the due date, the Association may, at any time thereafter, accelerate the entire amount due for the period for which the Assessment was made, and declare the same immediately due and payable. The Association may also record a Claim of Lien in the Public Records of Palm Beach County, Florida, setting forth the amount of the unpaid Assessment and the rate of interest due thereon. The Association may at any time thereafter bring an action to foreclose the lien against the Lot and/or a suit on the personal obligation of the Owner or Owners. There shall be added to the amount of such Assessment the cost of such action (including attorneys' fees), and in the event a judgment is obtained, such

judgment shall include interest on the Assessment, as above provided and attorneys' fees incurred by the Association, together with the costs of the action. Any successor in title to a Lot shall be held to have constructive notice of the records of the Association to determine the existence of delinquency in the payment of Assessments.

**SECTION 10. EXEMPT PROPERTY:** All property dedicated to and accepted by a local public authority shall be exempt from the assessments created herein, except no Lot shall be exempt from said assessments.

**SECTION 11. DISHONORED CHECKS:** In the event that a check given to the Association for payment of an Assessment shall be dishonored, for any reason whatsoever, the Association shall have the right to charge an administrative fee in the amount of TEN (\$10.00) DOLLARS, or such other reasonable amount as may be determined by the Board of Directors in its discretion, from time to time. This fee shall be deemed to be a part of the Assessment, shall be secured by the Assessment lien against the affected Lot, and may be enforced in the same manner as any other Assessment, as provided hereinabove.

**SECTION 12. CERTIFICATE OF ASSESSMENTS:** The Association shall prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by all Members. At the request of an Owner, the Board of Directors shall prepare a Certificate of Assessments signed by an officer of the Association, setting forth whether the Owner's assessments have been paid and/or the amount which is due as of the date of the Certificate. As to parties without knowledge of error who rely thereon, such Certificate shall be presumptive evidence of payment or partial payment of any assessment therein stated as having been paid or partially paid. The Association may charge an administration fee in the amount of \$25.00 DOLLARS with respect to issuing the Certificate, which amount may be adjusted no more than twice yearly by the Board of Directors.

**SECTION 13. SUBORDINATION TO LIEN OF MORTGAGES:** The lien for Assessments for which provision is herein made shall be subordinate to the lien of any Institutional Mortgagee. Such subordination shall, however, apply only to the Assessments which have become due and payable prior to a final sale or transfer of the mortgaged Lot pursuant to a decree of foreclosure, or in any other proceeding or conveyance in lieu of foreclosure of the mortgage. No sale or transfer shall relieve any Lot from liability for any Assessment thereafter becoming due, nor from the lien of any such subsequent Assessment. Any delinquent Assessments which are extinguished pursuant to a sale or transfer in connection with the foreclosure of a mortgage, or any proceeding or deed in lieu of foreclosure, shall be reallocated and assessed to all Owners. The written opinion of the Association that the Assessment lien is subordinate to a mortgage lien shall be dispositive of any questions of subordination.

**SECTION 14. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 4 & 6:** Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 6 of this Article VI shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of each Class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

#### **MAINTENANCE OF PROPERTY**

**SECTION 1. ASSOCIATION RESPONSIBILITIES:** The Association shall be responsible for maintenance of the Association Property and the

Common Property as more fully described in Article V, Section 3 of this Declaration.

**SECTION 2. OWNER RESPONSIBILITIES:** The Owner of each Lot shall be responsible for maintenance of the interior areas of the Improvements constructed upon such Lot, as well as all exterior areas of his Lot and the Improvements constructed thereon, including without limitation, exterior building walls, windows, lawn, patio, terrace, garden or similar areas. The expense of any maintenance, repair or construction of any portion of the Association Property or the Common Property, or of any of the Improvements necessitated by the negligent or willful acts of an Owner or his invitees, licensees, family or guests shall be borne solely by such Owner and his Lot shall be subject to an Individual Assessment for such expense. All repairs and replacements made by an Owner shall be subject to the approval of the Architectural Review Board.

#### **ARTICLE VIII**

#### **EASEMENTS, ASSOCIATION PROPERTY, COMMON PROPERTY, RIGHT OF ENTRY**

**SECTION 1. OWNERS' EASEMENTS OF ENJOYMENT:** Subject to the provisions of this Section, each Owner shall have a right and easement of enjoyment in and to the Association Property and the Common Property, which easement shall be appurtenant to and shall pass with the title to each Lot.

**SECTION 2. EXTENT OF OWNERS' EASEMENT:** The rights and easements of enjoyment created hereby shall be subject to the following:

(A) The right of the Association, to borrow money for the purpose of maintaining or improving the Association Property and the Common Property, and in connection therewith, to mortgage the Association Property and the Common Property; provided such loan has been approved by a vote of two thirds (2/3) of each Class of Members voting in person or by proxy at a meeting duly called for this purpose.

(B) The right of the Association to take such steps as are reasonably necessary to protect the Association Property and Common Property against foreclosure.

(D) The right of the Association to properly maintain the Association Property and the Common Property.

(E) The right of the Association to dedicate or transfer all or any part of the Association Property and/or the Common Property to any public agency, authority, utility water management or water control district, or other entity or person of or such purpose and subject to such conditions as may be approved by the Members provided such approval has been obtained by a vote of two thirds (2/3) of each Class of Members voting in person or by proxy at a meeting duly called for this purpose.

(F) Restrictions contained on any Plat, or filed separately, with respect to all or any portion of the Property.

(G) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situation on the Common Property.

(H) All of the provisions of this Declaration, and the Articles of Incorporation and By-Laws of the Association and all Exhibits thereto, as same may be amended from time to time.

**SECTION 3. EASEMENT GRANTS:** The following easements are hereby granted and/or reserved over, across and through the Property:

(A) Easement for Homeowner's Association. The Association, for itself and its employees and agents, shall have a perpetual, non-exclusive easement for access to all portions of the Property to the extent reasonably required for the performance of the duties of the Association as set forth herein.

(B) Utility Easements. Declarant, for itself and its successors and assigns, shall have a perpetual, non-exclusive easement over, upon and under all portions of the Property (except those portions upon which Improvements have been constructed) for the installation, operation, maintenance, repair, replacement, alteration and extension of such utility and other systems as Declarant shall deem appropriate to have located within the Property. No Owner, other than Declarant, shall be permitted to dig in or plant anything other than sod in any portion of the Property over, upon or under which any utility easement has been granted by Declarant or the Association as aforesaid. This restriction applies to all portions of the Property covered by such utility easements.

(C) Public Easements. Fire, police, health, sanitation, medical, ambulance and other public service personnel and their vehicles shall have a perpetual, non-exclusive easement for ingress and egress over and across the streets for the performance of their respective duties.

(D) Declarant's Easements. Easements are hereby reserved throughout the Property by Declarant, for its use and the use of its agents, employees, licensees and invitees, for all purposes in connection with development of the Property. Declarant retains the right to maintain an office on the Property, in a location to be selected by Declarant, until such time as all Parcels owned by Declarant have been sold and closed to Owners other than Declarant. Declarant, or its designee, may also construct and maintain a sales agency office, and may post and display a sign or signs on any Lots owned by Declarant, or on the Association Property or the Common Property, so long as Declarant is the Owner of any Lot.

**SECTION 4. EMERGENCY RIGHT OF ENTRY:** In case of any emergency originating in, or threatening any Lot, regardless of whether the Owner is present at the time of such emergency, the Board of Directors of the Association, or any other person authorized by it, or the Management Agent under a Management Agreement, shall

have the right, but not the obligation to enter such Lot or the Improvements thereon for the purpose of remedying, or abating the cause of such emergency, and such right of entry shall be immediate.

**SECTION 5. RESTRICTION ON OWNER EASEMENTS:** No Owner, other than Declarant, shall grant any easement upon any portion of the Property to any person or entity, without the prior written consent of the Association.

**SECTION 6. (A) vehicular and pedestrian ingress and egress on a twenty four (24) hour per day, 365 days per year basis over that portion of the Property entrance road as more particularly described in Exhibit "D" attached hereto and made a part hereof, and

(B) installation and maintenance of utilization and drainage facilities required to tie the improvements to be constructed on the Commercial Parcel into the Water Management System, including the lift station, located on the Property. The cost of connecting the Commercial Parcel to the Water Management System shall be borne exclusively by the Commercial Parcel Owner, and the Commercial Parcel Owner shall, at its sole cost and expense, repair and damage done to any Lots the Association Property or the Common Property or to any pipes, roads, curbs or other Improvements located within the Property as a result of the Commercial Parcel Owner tying the Commercial Parcel into the utilities and Water Management System located within the Property. The Commercial Parcel Owner shall also pay to the Association a fee of \$2,000.00 per year, in advance for the cost of maintenance, repair and lighting expenses for that portion of the entrance road to the Property to be used by the Commercial Parcel Owner, as such property is described in Exhibit "D" hereto and for the use and maintenance

of the Water Management System and lift station. Payment of such expenses (the "Commercial Assessment") by the Commercial Parcel Owner shall commence one (1) year following commencement of use by the Commercial Parcel Owner of such easement for ingress and egress to the Commercial Parcel and shall continue annually thereafter. Payments of such Commercial Assessment shall be made within forty five (45) days following receipt of written notice from the Association. The Commercial Assessment may be increased each year, but such increase shall never exceed five (5%) percent above the Commercial Assessment for the previous year. In the event of the Commercial Parcel Owner's failure to pay the Commercial Assessments within such forty five (45) day period, it shall become delinquent and shall bear interest at the maximum rate allowed by Florida law from the date when due until paid. The Commercial Assessment, together with interest thereon and the cost of collection thereof, including attorneys' fees, shall be a continuing lien against the Commercial Parcel; and the Association may, at any time thereafter, accelerate the entire amount due, declare the same immediately due and payable and record a Claim of Lien in the public records of Palm Beach County, Florida.

#### **ARTICLE IX**

#### **ARCHITECTURAL CONTROLS**

**SECTION 1. ARCHITECTURAL REVIEW BOARD:** It is the intent of Declarant to create a general plan and uniform scheme of development of the Property and to create within the Property a residential community of high quality and harmonious Improvements. Accordingly, the A.R.B. shall have the right to approve or disapprove all architectural design, landscaping and location of any proposed

Improvements, whether for Lots, the Association Property, or the Common Property. The A.R.B. shall consist of three (3) members. Each member shall be either a member of the Association or an agent or employee of the Declarant. The A.R.B. may, in its sole discretion, impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning or other local governmental codes. The procedures of the A.R.B. shall be as set forth below:

(A) No Improvements shall be constructed, erected, removed, planted or maintained, nor shall any addition to or any change, replacement or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, exterior wall texture, color scheme, and the location of same, including a surface water drainage plan showing existing and design grades and/or contours relating to the predetermined ground floor finish elevation established by Declarant, shall have been submitted to and approved in writing by the A.R.B. As part of the application process, two (2) complete sets of plans and specifications prepared by an architect, landscape architect, engineer or other person found to be qualified by the A.R.B. shall be submitted for approval by written application on such form as may be provided or required by the A.R.B. The A.R.B. may require submission of samples of building materials and colors proposed to be used. All construction shall be done by a licensed general contractor approved in writing by the A.R.B.

(B) In the event the information submitted to the A.R.B. is, in the A.R.B.'s opinion, incomplete or insufficient in any manner, the A.R.B. may request and require the submission of additional or supplemental information.

(C) The A.R.B. shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in its sole discretion, for aesthetic or any other reasons. In approving or disapproving such plans and applications, the

A.R.B. shall consider the suitability of the proposed Improvements and materials of which the same are to be built, the site upon which such Improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property.

(D) The A.R.B. shall, in all cases, have the right to determine and designate building setback lines necessary to conform to the general plan of the Property, in order to preserve the integrity of the Property. In this respect, the A.R.B.'s judgment and determination shall be final and binding.

(E) Upon approval by the A.R.B. of any plans and specifications submitted to the A.R.B., the A.R.B. shall notify the applicant in writing, which notifications shall set forth any qualifications or conditions of approval. In the event that the A.R.B. disapproves any plans and specifications submitted to the A.R.B., the A.R.B. shall so notify the applicant in writing, stating the grounds upon which such disapproval is based. Any applicant may appeal the decision of the A.R.B. to the Board of Directors of the Association within thirty (30) days of the A.R.B.'s decision. The determination of the Board of Directors shall be final and binding upon the applicant; provided, however, that no Improvement shall be erected or shall be allowed to remain which violates any of the covenants, conditions or restrictions contained in this Declaration, or which violates any zoning or building ordinance or regulation.

(F) Prior to the occupancy of any Improvement constructed or erected on a Lot, the prospective occupants or the builder thereof shall obtain a Certificate of Occupancy from the A.R.B., certifying that the construction of the Improvement has been completed in accordance with the plans and specifications previously approved by the A.R.B. The A.R.B. may, from time to time, delegate to a member or members of the

A.R.B., the responsibility for issuing such Certificate of Occupancy.

(G) There is specifically reserved unto the A.R.B., and to any agent or member of the A.R.B., the right of entry and inspection upon any portion of the Property for the purpose of determination by the A.R.B. whether there exists any construction of any Improvements which violates the terms of any approval by the A.R.B. or the terms of this Declaration, or any amendments hereto, or of any other covenants, conditions and restrictions to which any deed or other instrument of conveyance makes reference. If any Improvement of any nature shall be constructed or altered without the prior approval of the A.R.B., the Owner shall, upon demand of the Association, cause such Improvement to be removed, or restored in order to comply with the plans and specifications originally approved by the A.R.B. The Owner shall be liable for the payment of all costs of such removal or restoration, including all costs and attorneys' fees incurred by the Association. Such costs may also be the basis for an Individual Assessment. The A.R.B. is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in any event that it becomes necessary to resort to litigation to determine the propriety of any constructed Improvement, or to remove any unapproved Improvement, the Association shall be entitled to recovery of court costs, expenses and attorneys' fees of the A.R.B., including those incurred in connection with its enforcement or other powers, as provided herein, shall be borne by the Association; provided, however, that nothing provided herein shall be deemed to negate the Association's right to an award of the Association's and the A.R.B.'s attorneys' fees and costs if the Association is the prevailing party in any administrative or judicial proceeding. In the event that any Owner fails to comply with the provisions contained herein or other rules and regulations promulgated by the A.R.B., the A.R.B. may, in addition to all other

remedies contained herein, record against that Owner's Parcel a Certificate or Disapproval stating that the Improvements on the Parcel fail to meet the various requirements of the A.R.B.

(H) The A.R.B. is empowered to publish or modify, from time to time, design and development standards for the Property, including but not limited to the following:

- (1) Roof and roof design.
- (2) Fences, walls and similar structures.
- (3) Exterior building materials and colors.
- (4) Exterior landscaping.
- (5) Signs and graphics, mail boxes, address numbers and exterior lighting.
- (6) Building setbacks, side yards and related height, bulk and design criteria.
- (7) Pedestrian and bicycle ways, sidewalks and pathways.

(I) The A.R.B. may grant variances from the requirements contained herein or as elsewhere promulgated by the A.R.B., on a case by case basis; provided, however, that the variance sought is reasonable and does not impose a hardship upon other Owners. The granting of such variance by the A.R.B. shall not nullify or otherwise affect the ARB's right to require strict compliance with the requirements set forth herein on any other occasion.

(J) Notwithstanding anything contained herein to the contrary, any Improvements of any nature made or to be made by the Declarant, including Improvements made or to be made to the Association Property or the Common Property shall not be subject to the review of the A.R.B.

(K) The A.R.B. may adopt a schedule of reasonable fees for processing requests for approval. Such fees, if any, shall be payable to the Association at the time that the plans and specifications and other documents are submitted to the A.R.B. The payment of such fees, as well as other expenses required to be paid for the A.R.B. shall be deemed to be an

Individual Assessment, enforceable against the Owner and the Lot as provided hereinabove.

(L) Neither the Declarant, the directors or officers of the Association, the members of the A.R.B., nor any person acting on behalf of any of them, shall be liable for any costs or damages incurred by the Owner or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the A.R.B. in connection with the approval or disapproval of plans and specifications. Each Owner and occupant of any Lot agrees, as do their successors and assigns by acquiring title thereto or an interest therein or by assuming possession thereof, that they shall not bring any action or suit against the Declarant, the directors or officers of the Association, the members of the A.R.B., or their respective agents, in order to recover any damages caused by the actions of the A.R.B. The Association shall indemnify, defend and hold harmless the A.R.B. and each of its members from all costs, expenses and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the A.R.B. or its members. Neither the Declarant, the directors or officers of the Association, the members of the A.R.B., nor any person acting on behalf of any of them, shall be responsible for any defects in any plans and specifications, nor for any defects in any Improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

(M) Upon the completion of the Improvements and final approval by the A.R.B., the Board of Directors shall, upon request by an applicant, issue a certificate certifying that the plans and specifications have been submitted to and approved in writing by the A.R.B.

ARTICLE XI  
USE RESTRICTIONS

SECTION 1. RESTRICTIONS ON USE OF LOTS AND COMMON PROPERTY:

(A) Residential Use: All Lots shall be used only as single family, private, residential dwellings and for no other purpose. No business or commercial building may be erected on any Lot and no business may be conducted on any part thereof.

(B) Occupancy of Lots: Whenever any Lot is owned or leased by a corporation, partnership, or trust, or other entity (other than Declarant), the respective agents of the aforementioned entities, i.e. president or chief executive officer, partner, or trustee, shall designate, at least ten (10) days prior to closing, a particular married couple or an individual who shall be entitled to use the Lot and to exercise the rights of a Member hereunder. Only the designated family or individual and guests may use the Parcel. The right of occupancy or use of a Lot may not be transferred to another party, except through conveyance, transfer by operation of law, or lease of the Lot, as approved by the Association in accordance with the terms set forth hereinbelow. The family or individual designated by the corporation, partnership, trust or other entity which shall occupy the Lot shall execute a written covenant in favor of the Association whereby the individual or the members of the family occupying the Lot shall agree to comply with the terms and provisions of this Declaration, and the rules and regulations which may be promulgated from time to time by the Association. The written covenant shall contain an acknowledgment that the use of the Lot by the individual or the family shall continue only so long as the entity shall continue to be a Member of the Association or lessee of such a Member. Upon demand by the Association to any of the aforementioned Owners to remove any party given permission to use a Lot owned by the corporation, partnership, trust or other entity because of a failure of such party using the Lot to comply with the terms and conditions of this Declaration or the rules and regulations of the Association,

the Lot Owner shall forthwith cause such party occupying the Lot to be removed. In the event the Lot Owner fails to remove the party using the Parcel, the Association, as agent of the Lot Owner, may take such action as it deems appropriate to accomplish the removal of such user and all such action by the Association shall be at the cost and expense of the Lot Owner, and it shall reimburse the Association therefor, upon demand, for costs together with such attorneys' fees (including appellate attorneys' fees and costs), as the Association may incur in the removal.

(C) Pets: Owners may keep as pets: Companion pets such as birds, domesticated cats, fish, dogs and other small animals. No Owner may keep exotic cats, non-human primates, horses or other farm livestock or zoo type animals on the Property. It shall be the Owner's obligation to dispose of waste material from pets. The Board of Directors of the Association shall have the right to order the removal of any pet which, in the Board's sole discretion, is considered a nuisance, and the same shall be done without compensation to the Owner. In such event, the Board shall give written notice thereof to the pet owner, and the pet shall immediately thereafter be permanently removed from the Property. A pet not on a leash shall be deemed a nuisance. Failure to clean the waste material from a pet shall be deemed a nuisance.

(D) Boats: Mooring facilities, docks and other structures from the shore line on the lake shall be limited only to those which may be provided by the Association. No one other than the Association shall be permitted to install docks or similar structures or to keep or moor boats on the lakes. In no event shall motor powered boats be permitted, nor shall any boats be permitted to remain on any lawn or on Association or Common Property adjacent to the lake without Association approval.

(E) Recreational and Commercial Vehicles: No boats, recreational vehicles, trucks, commercial vehicles, or other motor vehicles, except four-wheel passenger automobiles, shall be placed, parked or stored upon any Lot except within a garage attached to a Dwelling, nor shall any maintenance or repair be

performed upon any boat or motor vehicle upon any Lot except within a garage attached to a Dwelling. Notwithstanding the foregoing, certain trucks or vans that may be considered recreational vehicles may be permitted on a Lot upon prior approval of the Board of Directors, and service and delivery vehicles may park on a Lot during regular business hours, as needed for providing services or deliveries to the Lot. No vehicle of any kind shall be parked overnight on any Street.

(F) Temporary Structures: No structure or object of a temporary character such as, but not limited to, house trailers, vans, tents, shacks, sheds or temporary or accessory buildings or structures, shall be erected, kept or maintained on the Property, or any part thereof. This restriction shall not apply to temporary structures used by Declarant for development, construction or sale of the Property. This restriction may also be waived by Declarant with respect to construction by builders, pursuant to separate written agreements.

(G) Insurance: No Owner shall permit or suffer anything to be done or kept within his Lot, or make any use of the Common Property, which will increase the rate of insurance on any portion of the Property.

(H) Nuisances: No use or practice which is either an annoyance to Owners or an interference with the peaceful possession and proper use of the Property by the Owners shall be allowed. No Owner shall commit or permit any nuisance or any immoral or illegal activity in or about the Property. For greater clarification, no Owner shall knowingly or willfully make or create any unnecessary, excessive or offensive noise or disturbance which destroys the peace, quiet and/or comfort of the Owners, or allow any such noise or disturbance to be made on his Lot.

(I) Outside Displays: No Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of his Lot, nor shall he place any furniture or equipment outside the Improvements on his Lot, except with the prior written consent of the Association. This provision shall not apply to the Declarant, nor shall it prohibit

the use of patio furniture within the confines of a patio appurtenant to a particular Lot.

(J) Antennae: No radio, television or other electronic antennae or aerial, including antennae disk, may be erected or maintained anywhere on the Association Property or the Common Property (unless installed by Declarant or the Association), or the exterior of any Lot, without the prior written approval of the Association. Wind driven attic ventilators shall not be permitted. Plumbing and heating vents protruding from roofs shall be painted so as to blend into the roofing color and shall be located, whenever possible, to not be seen from the front elevation. Electrically powered ventilators may be used if the roof vents are low profile, blend into the roofing materials and are not seen from the front elevation.

(K) Minimum Size of Dwelling: A single story or split level dwelling which is not a full two stories shall have a minimum floor living area of 1,250 square feet provided, however, the A.R.B. shall have the right to require a greater minimum floor area if the A.R.B. disapproves the design of a residence. A two (2) story Dwelling shall have a minimum of 1,000 square feet on the first floor. The second floor element, whether fully walled or being of the balcony or loft type, shall contain not less than 650 square feet of living area. This square footage is exclusive of: garages, covered walks, open and/or screened porches or patios and pool area. Square footage measurements shall be taken from outside exterior walls.

(L) Height of Dwelling: No dwelling which is more than two (2) stories or thirty (30) feet in height shall be erected, constructed or maintained on any Lot. The height of the dwelling shall be measured from the finished first floor grade to the highest point of the roof. Chimney heights may exceed the limitation.

(M) Foundation of Dwelling: All dwellings shall be placed on a masonry foundation. The top of the masonry foundation slab shall be a minimum of eighteen (18) inches above the crown of the Street abutting the front of the Lot; provided, however, that this requirement may be modified with the prior written approval of the A.R.B.

(N) Subdivision of Lots: No Lot shall be re-subdivided to form a Lot smaller than a platted Lot; provided, however, that a single Lot may be combined with a portion or another Lot to form a larger Lot, with the prior written approval of the A.R.B.

(O) Elevation and Grade of Lots: No change in the elevation of any Lot shall be made, nor shall any fill be used to extend the Property beyond the Lot line, without the prior written consent of the A.R.B. No Lot abutting water shall be increased in size by filling in the water to which it abuts, without the prior written consent of the A.R.B. The grade at the Property line separating two Lots shall not exceed twelve inches (12") above the crown of the Street upon which the Lots front. The slope of the grade perpendicular to such Property line shall not exceed one-sixth (1/6).

(P) Residence Graphics: The size and design of all signs, house numbering, outside lamp posts, mailboxes and other such materials shall be approved by the A.R.B. to insure continuity and conformity through the entire Property.

(Q) Removal of Trees: In reviewing building plans, the A.R.B. shall take into account the natural landscaping, such as trees and shrubs, and encourage the Owner to incorporate them in his landscaping plan. No trees of four (4) or more inches in diameter at two (2) feet above natural grade shall be cut or removed without approval of the A.R.B. When such a tree is removed, the Owner will replace it with a similar tree acceptable to the A.R.B. on another portion of the site.

(R) Access to Parcels: Whenever the Association is permitted or required by this Declaration to enter any Lot for the purpose of correction, repair, cleaning, clearing, moving, or any other required or permitted activity, such entrance shall not be deemed a trespass.

(S) Setback Requirements: Minimum setback requirements are:

- (1) Twenty five (25) feet front yard setback from the front Lot line.
- (2) In the case of corner Lots, the intersecting setback shall also be fifteen (15) feet from the Lot line along the intersecting street, unless otherwise approved by the A.R.B.

No alteration to completed landscaping may be made without the prior written approval by the A.R.B.

(Z) Maintenance of Lots: All Lots shall be kept in clean and sanitary condition and no rubbish, refuse or garbage shall be allowed to accumulate or any fire hazard allowed to exist. All Lots and all swale areas abutting Lots, whether or not such swale areas are a part of the Lots, shall be mowed and edged and kept free of debris and vegetation (including weeds, underbrush and/or unsightly growth). In the event an Owner fails to maintain his Lot as aforesaid, the Association shall have the right, in its discretion, to mow, burn or clear any weeds, grass, underbrush or unsightly debris and/or growths from any Lot deemed by the Association to be a health menace, fire hazard or a detraction from the aesthetic appearance of the Property; provided, however, that at least ten (10) days prior notice shall be given by the Association to the Owner of such Lot before such work is done by the Association. In the event the Association, after such notice, causes the subject work to be done, then, and in that event, the costs of such work, together with interest thereon at the maximum rate permitted by the usury laws of the State of Florida shall be charged to the Owner and shall become a lien on the subject Lot,

which lien shall be effective, have priority and be enforced pursuant to the procedures set forth in Article VI, Section 9 of this Declaration.

(AA) Refuse Containers and Storage Tanks: No Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage and other waste shall be kept in sanitary refuse containers, which shall be placed underground or in a walled-in area, so they are not visible from the Street or from adjoining Lots. All oil tanks or bottle gas tanks must be kept underground or placed in a walled-in area so they shall not be visible from the Street or from adjoining Lots. Trash, refuse or waste materials shall not be burned on any Lots.

(BB) Walls and Hedges: No boundary wall, fence or hedge having a height of more than four (4) feet shall be built or maintained on any Lot within the twenty five (25) foot front setback, within the fifteen (15) foot rear setback or within seven and one-half (7½) feet of any side Lot line. No fence of any type shall be located on the rear of any lakefront lot except for appropriate fencing around patio or pool areas as approved by the A.R.B. No side of any wall, fence or hedge shall be maintained in such a manner as to be unsightly. Chain link fences shall not be erected or maintained at any time upon any Lot (except that such fences may be temporarily permitted during construction of Improvements on a Lot, provided that such fences are immediately removed at the Owner's expense upon completion of such construction).

(CC) Storage Facilities, Tool Sheds, Garden Houses and Garages: All storage facilities, tool sheds, garden houses, garages and other similar Improvements approved by the A.R.B. shall be attached to the Dwelling located on the Lot so that such Improvements and the dwelling constitute a single structure.

The minimum roof pitch generally required for each Dwelling to be constructed on a Lot shall be not less than five (5) feet of height for each twelve (12) feet of extension, commonly known as "5:12 pitch". Exceptions to these requirements may be granted by the A.R.B. for designs found by the A.R.B. to be of exceptional merit.

(FF) Utilities: The central water and sewage system provided by Declarant for service to the Property shall be used by all Owners. Each Owner shall connect his water line to the water distribution main serving his Lot and his sewer line to the sewage collection line serving his Lot and shall pay all connection fees therewith. Each Owner shall maintain and repair his water and sewer lines up to the point of delivery and collection. Subject to Article XI, Section 1, subparagraph W(3), no individual water supply system shall be permitted except for irrigation purposes. No water shall be obtained from any lake, canal or water body. No septic tank or drain field shall be allowed on any Lot.

(GG) Bicycles: Bicycles shall be stored only within each Lot. If bicycles are left on the Association Property or Common Property they may be impounded by the Association and shall be released to the Owner only upon payment of an administrative fee established by the Association. Declarant shall have the right,

but not the obligation, to build a bicycle stand or stands within WOODS WALK in which event bicycles may be stored thereon.

(HH) Additional Protective Covenants: Declarant may include in any contract or deed for any Lot, additional protective covenants and restrictions not inconsistent with those contained herein.

(JJ) Indemnification: Any loss or damage incurred by the Association by breach of any restriction herein shall be reimbursed by the responsible Owner. The Association may obtain recovery against such Owner in the same manner as the collectible and enforceable Assessments.

(KK) Enforcement of Restrictions: The Association, through its Board of Directors, officers and the A.R.B., shall have the authority to enforce those restrictions imposed under this Article XI, and failure to do so shall not be deemed a waiver of the right of enforcement.

(NEW WORDS INSERTED IN THE TEXT ARE UNDERLINED AND WORDS DELETED ARE LINED THROUGH WITH HYPHENS)

*1. Proposed Amendment to Article XI, Sections (A) and (B) of the Declaration.*

(A) Residential Use- , Approval of Leases and Occupancy Agreements

All Lots shall be used only as single family, private, residential dwellings and for no other purpose. No business or commercial building may be erected on any Lot and no business may be conducted on any part thereof. In order to insure a community of congenial residents and thus protect the value of the Lots, the rental of a Lot, whether by lease, rental, occupancy, or otherwise is subject to the following provisions:

(1) A Lot Owner desiring to transfer an occupancy interest in the Owner's Lot must file a written application and any other documents required by the Association including an application fee, the proposed lease, if a rental, or other document authorizing the occupancy. Any submitted Application that is not completed in full and that does not include the applicable application fee will not be processed. An Application that does not comply with the Association's requirements shall be void *ab initio* and shall be deemed a failure of the proposed lessee or occupant to facially qualify for residency in the Association and the lease, rental or occupancy shall not be made.

(2) Within thirty (30) days of receipt by the Association of the completed Application, the application fee and other documentation as may be required by the Association, the Association shall approve or disapprove the proposed lease or other occupancy arrangement. If approved, a certificate of approval shall be executed by the Association and delivered to the lessee or occupant. If disapproved, the Association shall neither have the duty to provide an alternate lessee, or occupant, nor shall it assume any responsibility for the denial of an application. The Board of Directors may establish, from time to time, criteria for consideration of applicants.

(B) Leasing and Occupancy of Lots:

(1) Leasing: Lots may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No transient tenants may be accommodated in a Lot. All leases or occupancy agreements shall be in writing and subject to the approval of the Association as provided herein.

(a) It is the Association's intent to discourage the leasing of Lots as a regular practice for business, commercial, speculative, investment or other similar purposes; therefore, except as expressly provided in this Article, no lease or occupancy by any party except the approved owners of a Lot shall be permitted for a Lot during the 24 months after an Owner acquires title to that Lot. Notwithstanding

anything to the contrary, the Board of Directors may grant, in its sole discretion, an exception for hardship.

(b) If the Association approves a rental or lease, the approval shall not release the Owner from any obligation under the Declaration.

(c) No more than one lease is permitted for a Lot during any twelve month period. All leases must be for a duration of at least six (6) months and not more than one (1) year.

(d) All leases shall be deemed subject to the Declaration. The Board of Directors may require that a uniform form of lease be utilized for all leases of Lots.

(e) The Association has the authority and standing to evict any lessee of an Owner who is in breach or violation of the lease agreement or the Declaration.

(f) If a leasing Owner is delinquent to the Association for the payment of any assessment or other monetary obligation due to the Association, and the Association or its representative delivers a written demand to the Owner's lessee(s), then the lessee shall remit rental payments owed upon receipt or when owed in the future to the Owner/Lessor directly to the Association to the extent of any delinquency.

(g) A leasing Owner indemnifies, holds harmless and is jointly and severally liable with his or her lessees, occupants, guests and invitees to the Association for any amount which is required by the Association to effect repairs or to pay any claim for injury or damage to property caused by their acts and/or omissions, whether due to negligence or otherwise.

(h) If not expressly stated in a lease, then the lease shall be considered to include a subordination of the Owner/Lessor's rights to the Association's as stated in the Declaration.

(i) During a lease to other than an Owner's immediate family, the Owner shall not be able to utilize any Owner rights, except that of voting and reasonable access to the Lot for inspection and maintenance.

(j) A guest staying in the Lot for more than thirty (30) days shall be considered a tenant, notwithstanding whether any money is exchanged, and subject to the screening and approval by the Association.

(k) Whenever any Lots is owned or leased by a corporation, partnership, or trust, or other entity (other than Declarant), shall be subject to the restriction on leasing during the first 24 months of ownership. Notwithstanding, officers of the corporation, members of the Limited Liability corporation, partners of the partnership, trustees and/or beneficiaries of the trust may, upon the written approval of the Association in accordance with the requirements set forth herein, reside in the Lot during the first 24 months of ownership provided that there is no payment of rent or other remuneration between the approved occupant(s) and the Lot Owner. An entity may change the designated occupant(s) no more than once per year. the respective agents of the aforementioned entities, i.e. president or chief executive officer, partner, or trustee, shall designate, at least ten (10) days prior to closing, a particular married couple or an individual who shall be entitled to use the Lot and to exercise the rights of a

~~Member hereunder. On the designated family or individual and guests may use the Parcel. The right of occupancy or use of a Lot may not be transferred to another party, except through conveyance, transfer by operation of law, or lease of the Lot, as approved by the Association in accordance with the terms set forth hereinbelow. The family or other entity which shall occupy the Lot shall execute a written covenant in favor of the Association whereby the individual or the members of the family occupying the Lot shall agree to comply with the terms and provisions of this Declaration, and the rules and regulations which may be promulgated from time to time by the Association. The written covenant shall contain an acknowledgement that the use of the Lot by the individual or the family shall continue only so long as the entity shall continue to be a Member of the Association or lessee of such a Member. Upon demand by the Association to any of the aforementioned Owners to remove any party given permission to use a Lot owned by the corporation, partnership, trust or other entity because of a failure of such party using the Lot to comply with the terms and conditions of this Declaration or the rules and regulations of the Association, the Lot Owner shall forthwith cause such party occupying the Lot to be removed. In the event the Lot Owner fails to remove the party using the Parcel, the Association, as agent of the Lot Owner, may take such action as it deems appropriate to accomplish the removal of such user and all such action by the Association shall be at the cost and expense of the Lot Owner, and it shall be reimburse the Association therefor, upon demand, for the costs together with such attorneys' fees (including appellate attorneys' fees and costs), as the Association may incur in the removal.~~
