PRESIDENT'S MESSAGE

Dear Friends and Neighbors,

Thanks for the large turnout at the January Annual Meeting. It was one of our largest attended meetings in a very long time.

The January Annual Board Meeting agenda included the following:

- Votes for three new board members were counted and the following people were elected to a three year term; Arlene Stropoli, Michelle Hukan, and Lorraine Sullivan. Congratulations and thanks for your willingness to serve our community.
- The Land Transfer Proxy which everyone received in the mail, was discussed and votes were counted. Many residents had questions. In the end, not enough votes were received to make a final decision. There will be two informal workshops to help those who have any questions concerning this proxy. See the article at the end of my letter for dates and times for these workshops. In addition, all households who did not send in their proxy will be contacted.
- The construction at the east parking lot is being done by the County to upgrade the sewer pump station. It should be completed soon.
- Swimming pool and clubhouse hours will be posted at multiple locations so everyone is aware when the facilities are open.
- Our next meeting will be held on Wednesday, February 20, 2019 at 6:30 p.m. in the Clubhouse.

Respectfully,
Ed Hinkle

PROXY VOTE WORKSHOP
