I request permission to make the following change(s) to my home. If applicable, an architect's drawing and/or diagram, listing the specifications to must be used (including material and dimensions) MUST accompany this request in order to be considered by the Board of Directors. For non-architectural changes such as landscaping and/or fencing include two (2) sets of drawings, at least one drawn on the lot survey of your property and a layout with configuration in respect the exterior of the unit with specific description of materials:

I/We understand that approval of our request must be granted before the inception of the project. I/We acknowledge that we could be forced to have the item removed if it is installed without prior written approval or it is different from the approved plans and/or specifications. If the project is not begun within ninety (90) days, a new application must be submitted. Board approval in no way eliminates the need to adhere city or county codes or zoning regulations.
