

San Savino

Trash Pickup, Recycling, and Bulk Rules

Below are reminders of the communities' rules regarding Trash and Recycling.

Regular trash days: Pick up is on **Mondays and Thursdays**

In addition to those trash days **Monday is bulk trash and Thursday is Recycling**

- Trash cans should be put out the evening before pick-up and they should be brought back up the same evening as pick-up.
- Trash cans can be stored in front of your garage directly under coach light, in your garage, or behind your side bushes hidden from the street.
- Trash cans should be closed all the way to avoid spills and to keep critters away.
- Recycling bins **CANNOT** be stored outside. You should wash out plastic and cans to ensure food isn't left on them and out all night.
- **Bulk trash should be put out in front of your own home!**

Stop killing the grass on the back corner!!! Any corner, sidewalk or driveway is acceptable if the truck can get by. Please condense the bulk as much as possible.

NO MIRRORS OR GLASS *** We have to pay to have a handyman come in to clean up the broken glass left behind***

NO PAINT

NO NEEDLES OR SHARP OBJECTS

NO PROPANE

NO Styrofoam: Put that in your own trash can

No cardboard boxes: Break them down for recycle

APPLIANCES ** The city may or may not take these items and it causes other things to be left. If you get a new appliance delivered, you should arrange haul away service

When in doubt, call the SWA for Boynton Beach and ask questions or make special arrangements 561-640-4000. You can also find Holiday and storm make up days, so trash doesn't sit out on non-pick up days on SWA site <https://swa.org>.

Please take some pride in the neighborhood, help keep away rodents and raccoons, and consider the safety of your neighbors and pets.

Owners and Realtors should review these rules with all current and prospective renters and buyers.
