You may use any paint brand, but it must be an exact color match to the above color pallet. **Colors may not be diluted down or boosted in pigmentation.**

You may use any of the paint colors and trims in the above list. You do not need to use the recommended combinations. Trim paints must not be used as main house color paints and main house color paints may not be used for trim. One house color and one trim paint is permitted per house.

Garage doors and the front entry door must match the trim color **or** an approved white trim color unless the **wood** door is stained a brown wood color. Faux woodgrain painted garage and entry doors are not permitted.

You may **paint samples** on your home to decide which color to use. Color samples are in the clubhouse, but due to lighting may not be as accurate as painting a sample on your home.

A receipt or picture of the paint can show that the paint color purchased matches the ALP prep-approval, must be provided prior to getting final approval of your paint ALP from the BOD.
