RE: E-Blast Communication System

In a continued effort to improve the community, the Board would like to set up an Eblast Communication System which will require your assistance. Having an Eblast set up will allow us to reach out to all residents via email at the click of a button. We will utilize this to get out Alerts, Notices, and Updates. It will also allow us to communicate much more easily, faster, and less expensively. There are endless uses for it, and we truly believe that keeping that line of communication open is vital for the wellness of our community.

To achieve this all we will need is your email address. Please complete this form and mail back to GRS Community Management at the address on the top of this letter head or e-mail to residentservices@grsmgt.com. Be sure to check whether you opt in or opt out. Please print or type legibly.

Your email address and personal information will not be shared with others. All EBlasts will be blind copied to the owners who participate.

Cordially,

Madison Lakes Homeowners Association Inc.; Board of Directors
