Defined terms in the Declaration referred to in the Articles of Incorporation of this Association (hereinafter referred to as the "Declaration") are herein used as therein defined.

ARTICLE III

MEETING OF MEMBERS

Section 1. Annual Meetings. The first annual meetings of the members shall be held within one (1) year from the date of incorporation of the Association, and each subsequent regular annual meeting of the members shall be held on the day and hour to be decided by the Association. The first meeting of the Board of Directors of the Association shall be held immediately succeeding the annual meeting of members.

Section 2. Special Meetings. Special meetings of the members may be called at any time by the Board of Directors, or upon written request of the members who are entitled to vote one-fourth (1/4) of all of the votes of the membership, as defined in the Articles of Incorporation.

Business conducted at a special meeting is limited to the purposes described in the notice of the meeting.

Section 3. Notice of Meeting. Written notice of each meeting of the members shall be given by, or at the direction of, the Secretary or person authorized to call the meeting, by mailing a copy of such notice, postage prepaid, at least ten (10) days before such meeting to each member entitled to vote thereat, addressed to the members' address last appearing on the books of the Association, or supplied by such member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting.

Section 4. Quorum. The presence at the meeting of members entitled to cast, or of proxies entitled to cast thirty (30%) percent of the votes of the total membership shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these By-Laws.

Section 5. Adjournment. Adjournment of an annual or special meeting to a different date, time, or place must be announced at that meeting before an adjournment is taken, or notice must be given of the new date, time or place as provided in Article VII. Any business that might have been transacted on the original date of the meeting may be transacted at the adjourned meeting.

Section 6. Proxies. At all meetings of members, the member have the right to vote in person or by proxy. To be valid, a proxy must be dated, must state the date, time and place of the meeting for which it was given, and must be signed by the authorized person who executed the proxy. A proxy is revocable at any time at the pleasure of the person who executes it.

Section 7. Action Without a Meeting. (a) Action that can be taken at an annual or special meeting of members may be taken without a meeting, without prior notice, and without a vote if the action is taken by the members entitled to vote on such action and having not less than

(c) Within ten (10) days after obtaining such authorization by written consent, notice must be given to those members who are entitled to vote on the action but who have not consented in writing. The notice must fairly summarize the material features of the authorized action.

(d) A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

(e) If the action to which the members consent is such as would have required the filing of a certificate under any other section of this act if such action had been voted on by members at a meeting thereof, the certificate filed under such other section must state that written consent has been given in accordance with the provisions of this section.

ARTICLE III ANNEXATION, WITHDRAWAL, VACATING AND DISSOLUTION

Section 1. Annexation by Declarant. Until the Community Completion Date or thereafter as may be required to comply with the requirements of governmental entities, additional lands may be annexed to the Properties by Declarant. Except for applicable governmental approvals (if any), no consent to such annexation shall be required from any other party (including, but not limited to, Association, Owners or any Lender). Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of an annexation notice in the Public Records. The Annexation Notice shall refer to this Declaration and, by doing so, shall, unless specifically otherwise provided, incorporate by reference all the covenants, conditions and restrictions of this Declaration, thereby subjecting the annexed lands to the covenants, conditions and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of the Properties. The Annexation Notice may contain additions to, deletions from, or modifications of, the covenants, conditions and restrictions contained in this Declaration as deemed appropriate by Declarant and as the Declarant may deem necessary to reflect the different character, if any, of the annexed lands.

Section 2. Annexation by Members. Subject to the provisions of Section 1 above, after the Community Completion Date, additional lands may be annexed with the consent of the Board and membership of the Association obtained as set forth in Article II, Section 2, hereof, and compliance with applicable governmental requirements.

Until the Community Completion Date, or thereafter as may be required to comply with the requirements of governmental entities, any portions of the Properties (or any additions thereto) may be withdrawn by Declarant from the provisions and applicability of this Declaration, by recording a Withdrawal Notice in the Public Records. The right of Declarant to withdraw portions of the Properties shall not apply to any Homesite which has been conveyed to an Owner unless that right is specifically reserved in the instrument of conveyance or the prior

written consent of the Owner is obtained. The withdrawal of any portion of the Properties shall not require the consent or joinder of any other party, including, but not limited to, Association, Owners, or any Lender, provided, however, for so long as the ordinances of Palm Beach County so require, the prior written consent of Palm Beach County (by the County Attorney's Office) must be obtained.

Section 4. Paramount Right. Notwithstanding anything to the contrary herein, prior to the Community Completion Date, the Declarant shall have the paramount right to dedicate, convey (by absolute conveyance, easement or otherwise), any portions of the Properties, for various public purposes, or to make any portions of the Properties part of the Common Area, or to create and/or implement a taxing or Community Development District which may include all or any portion of the Properties.

Section 6. Dissolution. In the event of the dissolution of the Association, without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Area in the place and instead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association and the Common Area.

Section 7. Owner. In the event of dissolution of the Association or a termination of this Declaration, except as specified to the contrary by Declarant, the Properties and each Homesite shall continue to be subject to the provisions of this Declaration, including, but not limited to, Assessments. Each Owner shall continue to be personally obligated to the successors or assigns of the Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Area. ARTICLE IV BINDING EFFECT AND MEMBERSHIP

Section 1. Agreement. Each Owner by acceptance of title to a

Homesite and any person claiming by, through or under such Owner, agrees to be subject to this Declaration and the provisions hereof. The provisions of this Declaration are equitable servitudes and run with the land.

Section 2. Transfer. The transfer of the fee title to a Homesite, whether voluntary or by operation of law, terminating the Owner's title to that Homesite shall terminate the Owner's rights to the use and enjoyment of the Common Area as it pertains to that Homesite. An Owner's rights and privileges under this Declaration are not separately assignable. The Owner of each Homesite is entitled to the benefits of, and is burdened with the duties and responsibilities according to, the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Homesite shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration.

Section 3. Membership. Upon acceptance of title to a Homesite and as more fully provided in the Articles and By-Laws, each Owner becomes a Class A member of the Association. Prior to the conveyance or dedication of portions of the Common Area to the Association, that portion of the Common Area shall be owned, operated and administered by the Declarant, at the sole cost of the Association, for all purposes and uses reasonably intended, as Declarant in its sole discretion, deems appropriate. During such period, the Declarant shall own, operate and administer the Common Area without interference from any Owner or Lender or any other person or entity whatsoever.

Once conveyed or dedicated to the Association, title to the Common Area, as the case may be, may not, subject to the Association's right to grant easements, etc., be conveyed, abandoned, alienated, encumbered or transferred, without: (i) if prior to the Community Completion Date, the prior written consent of Declarant being first had and obtained; and (ii) thereafter, the prior written consent being obtained from the Board and Owners in the manner provided in Article II, Section 2, hereof.

Prior to the Community Completion Date, the Declarant, and thereafter, the Association, has the right, at any and all times, and from time to time, to further additionally provide and make the Common Area available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

The recreation parcel, pool and associated facilities constructed on Parcel A of the Community shall be restricted for the use of the Owners of Homesites in Parcel A. The expenses associated therewith shall be borne by the Owners of Homesites in Parcel A.

Section 8. Exceptions. The Rules and Regulations shall not apply to Declarant, or its designees, or to any property owned by Declarant or its designees, and shall not be applied in a manner which would prohibit or restrict the development of the Community, Properties and the development, construction and sale of any Homesite by Declarant or its designees. Section 9. Default. No default by any Owner in the performance of the covenants and promises contained in this Declaration or by any person using the Properties, Common Area, or any other act of omission by any of them, shall be construed or considered: (a) as a breach by Declarant, or Association or a non-defaulting Owner or other person or entity of any of their promises or covenants in this Declaration; or (b) as an actual, implied or construction dispossession of another Owner from the Common Area; or (c) as an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

Section 10. Over-all Systems. This Declaration allows for the providing of Common Area and other matters relating to the Community as a whole. Each Owner shall, if requested by the Declarant and/or Association, enter into agreements relating to any of the same.

Section 11. Wetland Preservation, Mitigation, Upland Buffers and Littoral Zones. Maintenance of such areas shall be the perpetual responsibility of the Association except as otherwise set forth in the conservation easements or as otherwise as required by applicable laws or regulations. The Association shall take such action against Owners as is necessary to enforce the provisions of the conservation easements and/or the permit conditions and/or applicable laws or regulations relating to any permit issued by, or requirement of, the South Florida Water Management District and/or any other governmental or quasi governmental entity having jurisdiction. Such areas may in no way be altered from their natural state. In addition to those requirements of law or permit, the following activities are prohibited within the wetland preservation, mitigation, upland buffer areas and littoral zones: (a) construction or placing of buildings on or about the ground; (b) dumping or placing soil or other substances such as trash in such area; (c) removal or destruction of trees, shrubs or other

No Owner shall make any structural changes in the Zero Lot Line Wall, including, but not limited to, change of paint color, without the express written approval of the Association. In the event the Association shall determine that the Zero Lot Line Wall has been damaged by the adjacent Homesite Owner, the Owner causing the damage shall be responsible for repairing such damage in a timely manner and in accordance with the standards established by the Association. In the event that an Owner shall fail or refuse to pay his prorata share of costs of repair or costs of replacement of the Zero Lot Line Wall, then in that event, the person or persons advancing

monies therefor shall have a right to file a claim of lien for such monies advanced in the Public Records of Palm Beach County, Florida, and shall have the right to foreclose said lien in accordance with the same procedural requirements as now provided for in Florida Statutes for foreclosure of a mechanic's lien, provided, however, said claim lien must be filed within ninety (90) days from the date repairs or replacements are made to the Zero Lot Line Wall, and suit thereon shall be commenced one (1) year from the date such lien is filed.

(h) Notwithstanding any other provision of this Section, an Owner who by its negligent or willful act causes the Zero Lot Line Wall to be exposed to the elements, shall bear the cost of furnishing the necessary protection against such elements.

(i) The right of any Owner to contribution from any other Owner under this Section shall run with and be appurtenant to the land.

Section 12. Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

ARTICLE X ASSESSMENTS

Section 1. Types of Assessments. In addition to the obligations of Owners set forth elsewhere in this Declaration, there are several types of Assessments for which Owners are liable, as follows:

(a) Assessments for all Operating Costs.

(b) The Association may levy additional Assessments for any purpose, including, without limitation, expenditures for capital improvements for or on Common Area or for reconstructing or replacing such improvements. Until the Community Completion Date, Assessments for capital improvements shall require the prior written consent of the Declarant. Assessments pursuant to this paragraph shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Assessment is approved.

(c) Assessments for which one or more Owners (but less than all Owners) are subject, such as, costs of special services provided to a Homesite or Owner or cost relating to enforcement of the provisions of this Declaration or the architectural provisions hereof as it relates to a particular Owner or Homesite.

Section 2. Designation. The designation of Assessment type shall

be made by the Association and shall be binding upon all Owners. Prior to the Community Completion Date, any such designation must be approved by Declarant. Such designation may be made on the budgets prepared by the Association.

Section 3. Allocation of Operating Costs.

(a) For the period until the adoption of the first annual budget, the allocation of Operating Costs shall be as set forth in the initial Budget.

(b) Assessments shall be based upon the level of services provided to Homesite, as determined by the Association from time to time.

(c) Commencing on the first day of the period covered by an annual budget, and until the adoption of the next annual budget, the Operating Costs shall be allocated so that each Owner shall pay its pro-rata portion based upon a fraction, the numerator of which is one (1) and the denominator is 611 provided, however that the Declarant reserves the right to have the denominator be the number of Homesites in the Properties conveyed to Owners as of the immediately preceding October 31st. If such election is made, the Declarant shall notify the Association and the Association and Owners shall be bound thereby.

(d) In the event the Operating Costs estimate for the year is, after the actual Operating Costs for that period is known, more or less than the actual costs, then the difference shall, at the election of the Association: (i) be added or subtracted, as the case may be, to the calculation for the next ensuing year; or (ii) be immediately refunded to, or collected from, the Owners.

The Association shall have the unequivocal right to collect retroactively any cost which Assessment shall relate back to the date that the Assessment could have been made.

(e) Homesites owned by Declarant or any developer affiliated with Declarant or its partners are not subject to payment of Operating Costs or assessments. The Declarant is obligated to pay any Operating Costs incurred that exceed the Assessments receivable from the other Owners and other income of the Association.

(f) Each Owner agrees that so long as it does not pay more than the required amount, that Owner shall have no grounds upon which to object to either the method of payment or non-payment by other Owners of any sums due.

Section 4. Special Assessment Allocation. Except as herein specified to the contrary, Special Assessments shall be made against the Owners benefiting from, or subject to, the special

service or cost as specified by the Association.

Section 5. Commencement of First Assessment. Assessments shall commence, as to each Owner, on the day of the conveyance of title of a Homesite to an Owner. The Assessments in effect at that time shall be adjusted according to the number of months remaining in the Assessment period after such date.

Section 6. Initial Budgets. The initial budget prepared by Declarant is adopted as the Association budget for the period of operation until adoption of the first annual Association Budget. Thereafter, annual budgets shall be prepared and adopted by the Association.

Section 7. Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

(a) Assessments shall be established by the adoption of a projected annual operating budget. Written notice of the amount of, and date of commencement thereof, shall be given to each Owner not less than ten (10) days in advance of the due date of the first installment thereof. Assessments shall be payable monthly or at such other less frequent times as determined by the Association, not less often than quarterly.

(b) Special Assessments against the Owners and all other fees, dues and charges, may be established by the Association, from time to time, as shall be payable at such time or time(s) as the Association may determine.

(c) The Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including a Management Firm, the power and authority to establish specific fees, dues or charges to be paid by Owners for any special services provided to, or for the benefit of an Owner or Homesite, for any special or personal use of the Common Area, or to reimburse the Association for the expenses incurred in connection with that service or use. The sums so established shall be payable by the Owner utilizing the service or facility as determined by the Association or Management Firm, if any.

(d) The budget may, at the election of the Association or Declarant, establish and maintain a reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area.

(e) The Association may, but is not obligated to, establish a working capital fund for the operation of the Association. Each Owner shall pay an amount equal to the sums determined to be then due from that Owner. The purpose of this fund is to assure that

the Association will have cash available to meet its obligations, unforeseen expenditures, or to acquire additional property, equipment or services deemed necessary or desirable. Amounts paid into the fund are not to be considered as advance payments of regular Assessments.

(f) The Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner or Lender. Upon demand, a certificate shall be furnished to the Owner making the request setting forth whether the Assessments have been paid and/or the amount which is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated.

(g) Each Owner waives its rights (if any) to an accounting related to Operating Costs or Assessments.

Section 8. Payment of Assessments. Each Owner, by acceptance of title to a Homesite, shall be deemed to have covenanted and agreed to pay the following dues, fees, charges and Assessments:

- (a) General Assessments;
- (b) Assessments for capital improvements, emergencies, and/or non-recurring expenses;
- (c) Assessments of any kind for the creation of reasonable reserves or working capital;
- (d) Special Assessments and charges for special services;
- (e) Assessments and charges incurred in connection with the enforcement of any of the terms and conditions hereof, including reasonable attorney fees and costs.

Each Owner shall pay all taxes and obligations relating to its Homesite which, if not paid, could become a lien against the Homesite which is superior to the lien for Assessments created by this Declaration.

Section 9. Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Homesite, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' (and paralegals') fees (at all levels of proceedings, collection and bankruptcy), shall be a charge and

continuing lien in favor of the Association encumbering the Homesite and all personal property located thereon owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records, stating the description of the Homesite, name of the Owner, and the amounts due as of that date. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, charge, fee, together with interest, late fees, costs and reasonable attorneys' fees, etc. shall be the personal obligation of the person who was the Owner of the Homesite at the time when the Assessment became due, as well as that persons heirs, devisees, personal representatives, successors or assigns.

Section 10. Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgages on any Homesite, if the mortgage is recorded in the public records prior to the Claim of Lien set forth in this Declaration. The lien shall not be affected by any sale or transfer of a Homesite, except in the event of a sale or transfer of a Homesite pursuant to a foreclosure of a bona fide first mortgage, in which event, the acquirer of title, its successors and assigns, shall not be liable for Assessments encumbering the Homesite or chargeable to the former owner of the Homesite which became due prior to such sale or transfer. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of the Operating Costs. Any sale or transfer pursuant to a foreclosure shall not relieve the Owner from liability for, nor the Homesite from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure.

Section 11. Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments against that Owner for up to the next ensuing twelve (12) month period.

Section 12. Non-payment of Assessments. If any Assessment is not paid within fifteen (15) days after the due date, a late fee of \$25.00, per month, together with interest in an amount equal to 18% percent (not to exceed the maximum rate allowable by law), per annum, beginning from the due date until paid in full, may be levied. The Association may, at any time thereafter, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Homesite, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all

costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' (and paralegals) fees, at all levels of proceedings, including collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Area, or abandonment of a Homesite.

Section 13. Exemption. Declarant shall, at the election of the Declarant, either pay assessments for Homesites owned by Declarant, or, fund any deficits in the Operation Budget of the Association.

Section 14. Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant, as the case may be, shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, which remedies, including, but not limited to, recovery of attorneys', and paralegals', fees at all levels including appeals, collections and bankruptcy, shall be deemed assigned to Declarant, for such purposes.

Section 15. Rights to Pay Assessments and Receive Reimbursement. The Association, Declarant and any mortgagee of a Homesite shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Homesite. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due. Further, Declarant shall have the right, but not the obligation, at its sole option, to loan funds to the Association and pay items of Operating Costs on behalf of the Association. The entity advancing such sums shall be entitled to immediate reimbursement, on demand, from the Association for such amounts so paid, plus interest thereon at the W.S.J. Prime Rate plus 2%, plus any costs of collection including, but not limited to, reasonable attorneys' (and paralegals') fees at all levels including appeals, collections and bankruptcy.

ARTICLE XI INFORMATION TO LENDERS AND OWNERS

- (d) Any proposed action (if any) which would require the consent of a specific mortgage holder.

Accordingly, the A.C.C. shall have the right to approve or disapprove all architectural, landscaping and location of any proposed improvements within the Properties by Owners other than Declarant or its nominees. The A.C.C. shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, and location of any proposed improvements, relationship to surrounding structures and topography and as to conformity with such other reasonable requirements as shall be adopted by A.C.C. The A.C.C. may, in its sole discretion, impose standards for construction and development which may be greater or more stringent than standards prescribed by applicable building, zoning, or other local governmental codes. Section 2. Community Standards. Each Owner and its contractors and employees shall observe, and comply with, the Community Standards which now or may hereafter be promulgated, from time to time. The Community Standards as promulgated, from time to time, shall be effective from the date of adoption. The A.C.C. shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to the Community. The A.C.C. shall consist of a minimum of three (3) members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until the Community Completion Date, the Declarant shall have the right to change the number of members on the A.C.C., and to appoint, remove and replace all members of the A.C.C.. The Declarant shall determine which members of the A.C.C. shall serve as its chairman and co-chairman. In the event of the failure, refusal or inability to act of any of the members appointed by the Declarant, the Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If the Declarant fails to replace that member, the remaining members of the A.C.C. shall fill the vacancy by appointment. At the Community Completion Date, or at such earlier date as Declarant, in its sole discretion may elect, the Declarant shall assign such rights to the Association.

Section 5. Quorum. A majority of the A.C.C. shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the A.C.C.. In lieu of a meeting, the A.C.C. may act in writing.

Section 6. Power and Duties of the A.C.C. No material improvements or change in color or landscaping which is visible from the exterior of the Home shall be constructed, erected, removed, planted or maintained, nor shall any material addition to or any change, replacement or alteration of the improvements constructed by Declarant which is visible from the exterior of the Home be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme and the location of same shall have been submitted to and approved in writing by the A.C.C.

Section 7. Procedure. Each Owner shall, in applying for the approval of the A.C.C. follow the following procedures:

(a) Each applicant shall submit an application to the A.C.C. with respect to any proposed improvement or material change in an improvement, together with the required information and fee(s) as established by the A.C.C. The application shall include such information as may be required by the application form adopted by the A.C.C. The A.C.C. may also require submission of samples of

building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the A.C.C., such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and a surface water drainage plan showing existing and proposed design grades, contours relating to the pre-determined ground floor finish elevation, pool plans and specifications, and a time schedule for completion, all as reasonably specified by the A.C.C.

(b) In the event the information submitted to the A.C.C. is, in the A.C.C.'s opinion, incomplete or insufficient in any manner, the A.C.C. may request and require the submission of additional or supplemental information. The Owner shall, within fifteen (15) days thereafter, comply with the request.

(c) No later than thirty (30) business days after receipt of all information required by the A.C.C. for final review, the A.C.C. shall approve or deny the application in writing. The A.C.C. shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the A.C.C.'s sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the A.C.C. shall consider the suitability and aesthetics of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the A.C.C. fails to respond within said thirty (30) day period, the plans and specifications shall be deemed approved by the A.C.C.

(d) Construction of all improvements shall be completed within the time period set forth in the application and approved by the A.C.C.

(e) In the event that the A.C.C. disapproves any plans and specifications, the applicant may request a rehearing by the A.C.C. to re-review the disapproved plans and specifications. The meeting shall take place no later than thirty (30) days after written request for such meeting is received by the A.C.C., unless applicant waives this time requirement in writing. The A.C.C. shall make a final written decision no later than thirty (30) days after such meeting. In the event the A.C.C. fails to provide such written decision within said thirty (30) days, the plans and specifications shall be deemed approved.

(f) Upon continued disapproval, and unless the members of the Board and A.C.C. are the same, the applicant may appeal the

decision of the A.C.C. to the Board within thirty (30) days of the A.C.C.'s written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed approved. The Board shall make a final decision no later than thirty (30) days after such meeting. In the event the Board fails to provide such written decision within said thirty (30) days after such meeting, such plans and specifications shall be deemed approved. The decision of the A.C.C., or if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

Section 8. Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the A.C.C. shall be subject to the approval of the A.C.C. in the same manner as required for approval of original plans and specifications.

Section 9. Variances. The Association or A.C.C. shall have the power to grant variances from any requirements set forth in this Declaration or from the Community Standards, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Community Standards on any other occasion.

Section 10. Permits. In connection with any approved improvements, the Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

Section 11. Drainage. Notwithstanding anything contained herein to the contrary, no change shall negatively affect drainage or drainage facilities serving either the Homesite or the Community, without proper remediation as required by the A.C.C.

Section 12. Solar Devices. To the fullest extent permitted by law, the A.C.C. shall have the right to regulate the design, aesthetics, placement, and method of affixing solar collectors or other energy devices based upon renewable resources. These rights are reserved to the A.C.C. for the health, safety and welfare of not only the Owner desiring to install such collectors or devices, but for the protection of all Owners in the Community.

It is not the intent of this Section to prohibit or have the affect of prohibiting such collectors and/or devices.

Section 13. Construction by Owners. The following provisions govern construction activities after consent of the A.C.C. has been obtained:

(a) Each Owner shall deliver to the A.C.C., if requested, copies of all construction and building permits as and when received by the Owner. Each construction site in the Community shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, common areas and other such areas in the Community shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in the Community and no construction materials shall be stored in the Community, subject, however, to such conditions and requirements as may be promulgated by the A.C.C. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any canal or waterway or Common Area or other Homesites in the Community or be placed anywhere outside of the Homesite upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property or waterways. All construction activities shall comply with such additional rules and regulations relating to the construction site as promulgated by the A.C.C. from time to time.

(b) There shall be provided to the A.C.C., if requested, a list, (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers and the employees of each of them (collectively, "contractors") and changes to the list as they occur during construction. Each contractor shall utilize those roadways and entrances into the Community as are designated by the ACC for construction activities. The ACC shall have the right to require that each contractor's check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ACC.

(c) Each Owner is responsible for insuring compliance with all terms and conditions of these provisions and of the Community Standards by all of its contractors. In the event of any violation of any such terms or conditions by any contractor, or, in the opinion of the ACC, the continued refusal of any contractor to comply with such terms and conditions, after five days notice and right to cure, the ACC shall have, in addition to the other rights hereunder, the right to prohibit the violating contractor from

performing any further services in the Community.

(d) The ACC may, from time to time, adopt standards governing the performance or conduct of owners and contractors within the Community. Each Owner and contractor shall comply with such standards and cause its respective employees to also comply with same. The ACC may also promulgate requirements to be inserted in all contracts relating to construction within the Community and, if so, each Owner shall include the same therein.

Section 14. Inspection. There is specifically reserved to the Association and A.C.C. and to any agent or member of either of them, the right of entry and inspection upon any portion of the Properties for the purpose of determination whether any violation exists of the terms of any approval or the terms of this Declaration or the Community Standards.

Section 15. Violation. If any improvement shall be constructed or altered without prior written approval of the A.C.C., or in a manner which fails to conform with the approval granted, the Owner shall, upon demand of the Association or A.C.C., cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees incurred by the Association or A.C.C. The costs and fees shall be deemed a Special Assessment and enforceable pursuant to the provisions of this Declaration. The A.C.C. and/or Association is specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Community Standards, by any legal or equitable remedy.

Section 16. Court Costs. In the event of litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the Association and/or A.C.C. shall be entitled to recover court costs, expenses and attorneys' (and paralegals') fees in connection therewith.

Section 17. Certificate. In the event that any Owner fails to comply with the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the A.C.C., the Association and/or A.C.C. may, in addition to all other remedies contained herein, record a Certificate of Non- Compliance against the Homesite stating that the improvements on the Homesite fail to meet the requirements of this Declaration and that the Homesite is subject to further enforcement remedies.

Section 18. Fines. In the event of a violation of the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the ACC, the Association shall also have

the right to levy a fine against the non-complying party of up to \$25.00 per day until the violation is cured. The fine shall be a Special Assessment and enforceable pursuant to the provisions of this Declaration.

Section 19. Certificate of Approval. Prior to the occupancy of any improvement constructed or erected on any Homesite by other than Declarant, or its designees, the Owner thereof shall obtain a certificate of approval from the A.C.C., certifying that the construction of the improvement has, without assuming any liability therefore, been completed substantially in accordance with the approved plans and specifications. The A.C.C. may, from time to time, delegate to a member or members of the A.C.C., the responsibility for issuing the certificate of approval.

Section 20. Community Standards. The Association may, from time to time, adopt, publish or modify Community Standards. The Community Standards shall not require any Owner to alter any approved improvements previously constructed.

Until the Community Completion Date, the prior consent of Declarant concerning the adoption of, and any changes to, the Community Standards must first be had and obtained, which may be granted in its sole discretion.

Section 21. Exemption. Notwithstanding anything to the contrary contained herein, or in the Community Standards, any improvements of any nature made or to be made by the Declarant or its nominees, including, without limitation, improvements made or to be made to the Common Area or any Homesite, shall not be subject to the review of the A.C.C., Association, or the provisions of the Community Standards.

Section 22. Exculpation. Neither the Declarant, the Association, or their respective partners, directors or officers, the A.C.C., the members of the A.C.C., nor any person acting on behalf of any of them, shall be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the Declarant, the Association, A.C.C. or their partners, members, officers, or directors, in connection with the approval or disapproval of plans and specifications. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Homesite, that it shall not bring any action or suit against the Declarant, the Association or their respective directors or officers, the A.C.C. or the members of the A.C.C., or their respective agents, in order to recover any damages caused by the actions of the Declarant, Association, or A.C.C. or their respective partners, members, officers, or directors in connection with the provisions of this Article. The Association does hereby

indemnify, defend and hold the Declarant, and the A.C.C. and each of their members, officers, or directors harmless from all costs, expenses, and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the Owners, Association, A.C.C. or their members, officers and directors. Neither the Declarant, the Association or its directors or officers, the A.C.C. or its members, nor any person acting on behalf of any of them, shall be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

ARTICLE XIII OWNERS LIABILITY

Section 1. Right to Cure. Should any Owner or any person, firm or entity claiming by, through or under Owner, do any of the following:

- (a) Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Declaration; or
- (b) Cause any damage to any of the Properties, improvement or Common Area; or
- (c) Impede the Declarant or Association from exercising its rights or performing its responsibilities hereunder; or
- (d) Undertake unauthorized improvements or modifications to a Homesite or to the Common Area; or
- (e) Impede the Declarant from proceeding with or completing the development of the Community, as the case may be.

Then, the Declarant and/or the Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Homesite and/or Home and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees incurred shall be assessed against the Owner as a Special Assessment or otherwise, as the case may be.

Section 2. Non-Monetary Defaults. In the event of a violation other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, the Declarant or Association

or any other Owner shall notify the party violating such provisions of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

(a) Commence an action to enforce the performance or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief, without bond; and/or

(b) Commence an action to recover damages; and/or

(c) Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action including reasonable attorneys' (and paralegals') fees at all levels including appeals, bankruptcy and collections, shall be assessed against the Owner, as a Special Assessment or otherwise, and shall be immediately due and payable without further notice.

Section 3. No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

Section 4. Rights Cumulative. All rights, remedies, and privileges granted to the Declarant and/or Association and/or A.C.C. pursuant to any terms, provisions, covenants or conditions of this Declaration, or Community Standards, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

Section 5. Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Community Standards may be enforced by Declarant and/or Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Community Standards shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Community Standards.

Section 6. Fines. In addition to the fines established herein,

and all other remedies provided for in this Declaration, if and to the extent permitted by law, the Association shall have the right to impose additional fines on an Owner for failure of an Owner, or persons, firms or entities claiming by, through or under the Owner, to comply with any provisions of this Declaration or Community Standards, provided, however, that the Association grant reasonable notice and opportunity to be heard. The decisions of the Association shall be final. Fines shall be in such reasonable and uniform amounts as the Association relating to fines shall determine and shall be assessed against the Owner as a Special Assessment.

ARTICLE XIV RIGHTS OF DECLARANT

Section 1. Sales and Administrative Office. For so long as the Declarant, or its nominee(s), owns any property in the Community or affected by this Declaration or maintains a sales and/or administrative office, the Declarant, or its nominee(s), shall have the right to take such action reasonably necessary to transact any business necessary to administer its interests, consummate the development of the Community and sales and/or leasing of Homesites and/or Homes and/or other properties owned by Declarant. This right shall include, but not be limited to, the right to maintain models, sales or administrative offices and parking associated therewith, have signs on any portion of the Properties, including Common Area, employees in the models and offices, use of the Common Area and to show Homesites. The sales and administrative office and signs and all items pertaining to development, sales and administration remain the property of the Declarant, or its nominees.

Section 2. Modification. The development and marketing of the Community will continue as deemed appropriate in Declarant's sole discretion, and nothing in this Declaration or Community Standards, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of the Community to, as an example and not a limitation, amend the Plat and/or Master Plan, modify the boundary lines of the Common Area, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which Declarant, its nominees, or its agents, affiliates, or assignees may deem necessary or appropriate. The Association and Owners shall, at the request of the Declarant, execute and deliver any and all documents and instruments which Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

Section 3. Promotional Events. Declarant and its nominees shall have the right, at any time, to hold marketing and promotional

events within the Community and/or on the Common Area, without any charge for use. Declarant or its nominees, agents, affiliates, or assignees shall have the right to market the Community and Homesites in advertisements and other media by making reference to the Community, including, but not limited to, pictures of drawings of the Community, Common Area, Homesites and Homes constructed in the Community.

Section 4. Use by Prospective Purchasers. The Declarant and its nominees shall have the right, without charge, to use the Properties and Common Area for the purpose of entertaining prospective purchasers of Homesites or Homes, portions of the Properties or other properties.

Section 5. Franchise. The Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Area and shall be entitled to all income derived therefrom.

Section 6. Easements. Declarant reserves the right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities service, maintenance, security systems, cable t.v., and other purposes over, upon and across the Properties so long as any said easements do not materially and adversely interfere with the intended use of Homesites previously conveyed to Owners. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by Declarant: (a) join in the creation of such easements, etc. and cooperate in the operation thereof; and (b) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date, without the prior written consent of Declarant which may be granted or denied in its sole discretion.

Section 7. Right to Enforce. The Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards and to recover all costs relating thereto, including attorneys' fees at all levels of proceeding. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

Section 8. Additional Development. In the event the Declarant does not subject all proposed real property in the Community to this Declaration, or after submission withdraws portions of the Properties from the operation of the Declaration, the Declarant or its nominees may, but is not obligated to, subject to governmental approvals, create other forms of residential property ownership or

other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. The Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation, may share in the use of all or some of the Common Area and other facilities and/or roadways which remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

Section 9. Representations. The Declarant makes no representations concerning development in the Community both within the boundaries of the Properties including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Homesites or Homes and buildings in all other proposed forms of ownership and/or other improvements on the Properties or in the Community or adjacent or near the Community, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of dwellings, number of buildings, location of easements, parking and landscaped areas, services and amenities offered.

Section 10. CATV. Declarant reserves unto itself and its nominees, successors, assigns and licensees the right, but not the obligation, to enter into one or more contracts for the exclusive provision of one or more master cable and telecommunications receiving and distribution systems and electronic surveillance systems for all or any part of the Community. Declarant reserves unto itself and its nominees, successors, assigns and licensees a perpetual and exclusive right, privilege, easement and right-of-way across, over and upon the Properties for the installation, construction and maintenance of such systems together with a perpetual and exclusive right, privilege and easement of unlimited ingress and egress, access, over and upon the Properties for installing, constructing, inspecting, maintaining, altering, moving, improving and replacing facilities and equipment constituting such systems. If, and to the extent, services provided by such systems are to serve all of the Homesites, then the cost of the services may, as determined by Declarant, be Operating Costs of the Association and shall be assessed as a part of the Assessments. If any services provided by the System are provided only to some, but not all, of the Homesites, then the cost of any such services shall be an expense for the benefit of the respective Homesite to be assessed as a Special Assessment, or a direct charge by the provider, as the case may be. Declarant has the right to receive, on a perpetual basis, a portion of the revenues derived from such systems as agreed, from time to time,

between the provider of such system and Declarant. The provider may be an affiliate or subsidiary of the Declarant or its joint venturers.

Section 11. Non-Liability. Neither the Association or Declarant or any of its joint venturers, affiliates, or subsidiaries or their respective partners, shareholders, directors, officers, employees, or agents shall in any way or manner be held liable or responsible for any violation of this Declaration by any other person or entity. Neither Declarant nor Association make any representations whatsoever as to the security of the Properties or Homesites or the effectiveness of any gate or other security service. The Association and each Owner does hereby hold Declarant and Association harmless from any loss or claim arising from the occurrence of any crime or other act. Neither the Association, nor the Declarant, shall in any way be considered insurers or guarantors of security within the Properties or Homesites. All Owners specifically acknowledge that the Properties may have a perimeter security system, such as fences, walls, hedges, or the like on certain perimeter areas. Neither the Association nor the Declarant, shall be held liable for any loss or damage by reason or failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and occupants of any Homesite, tenants, guests and invitees of any Owner, as applicable, acknowledge that the Association, its Board and officers, Declarant, their nominees or assigns, or any successor Declarant, and the A.C.C. and its members do not represent or warrant that any fire protection system, burglar alarm system or other security system designated by or installed according to guidelines established may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, nor that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system is designed or intended.

Section 12. Water Bodies. Neither Declarant, the Association, nor any of their officers, directors, committee members, employees, management agents, contractors or subcontractors shall be liable or responsible for maintaining or assuring the safety, water quality or water level of/in any lake, pond, canal, creek, stream or other water body within the Community or PUD, except as such responsibility may be specifically imposed by, or contracted for with an applicable governmental or quasi-governmental agency or authority, or for any property damage, personal injury or death occurring in, or otherwise related to, any water body. All persons using same shall do so at their own risk.

All Owners and persons utilizing any portion of the Community located adjacent to or having a view of any such water body shall

be deemed, by virtue of their acceptance of the deed to or use of, such property, to have agreed to release all of them from all claims for any and all changes in the quality and level of the water in such water bodies.

All persons are hereby notified that from time to time alligators and other wildlife may inhabit or enter into water bodies within or near to the Community or PUD and such wildlife may pose a threat to person, pets and property. None of the parties indemnified above are under any duty to protect against, and do not in any manner warrant or insure against, any death, injury or damaged caused by such wildlife.

Section 13. Reserved Rights. The Declarant shall have all rights and privileges reserved to it elsewhere in this Declaration.

Section 14. Duration of Rights. The rights of Declarant set forth in this Declaration shall, unless specifically provided to the contrary herein, extend for a period of time ending upon the earlier of: (i) when neither Declarant nor any affiliate of Declarant or a nominee of either has any further interest of any kind in the Properties and/or Community; or (ii) five (5) years after the Community Completion Date; or (iii) a relinquishment by Declarant in a statement in writing placed in the Public Records; or (iv) twenty-five (25) years after the date of the recording of this Declaration in the Public Records.

ARTICLE XV ASSIGNMENT OF POWERS

All or any part of the rights, exemptions and powers and reservations of the Declarant, as the case may be, herein contained may be conveyed or assigned to other persons or entities by an instrument in writing duly executed, acknowledged, and recorded in the Public Records.

ARTICLE XVI GENERAL PROVISIONS

Section 1. Authority of Association. Except when a vote of the membership of the Association is specifically required, all decisions, duties, and obligations of the Association hereunder may be made by the Board. The Association and Owners shall be bound thereby.

Section 2. Approval of Association Lawsuits by Members. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of seventy-five (75%) percent of the Owners. This Section shall not, however, apply to:

- (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens or Community Standards);
- (b) the imposition and collection of Assessments as provided in this Declaration;
- (c) proceedings involving challenges to ad valorem taxation; or
- (d) counterclaims brought by the Association in proceedings instituted against it.

This Section shall not be amended unless the prior written approval of Declarant is obtained, which may be granted or denied in its sole discretion.

Section 3. Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

Section 4. Notices. Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing.

IN WITNESS WHEREOF, the undersigned, being the Declarant hereunder, has hereunto set its hand and seal this 28th day of August, 1997.
